Coaches Code of Conduct

As a coach, your primary responsibility is to educate and inspire athletes through participation in sports activities. Your influence extends beyond the game, impacting the personal development, confidence, and character of each player. This code of conduct outlines the values we uphold to ensure a positive and safe environment for all participants.

Respect for the Game and Participants

Lead with Integrity: I understand that my role as a coach is not just to teach the skills of the game but also to build character and sportsmanship. I will prioritize the development of each player over winning at all costs.

Model Positive Behavior: I will lead by example, demonstrating respect, fair play, and kindness toward players, parents, other coaches, officials, and administrators.

Player Development and Well-being

Focus on Growth: I will encourage fun, foster a love for the game, and emphasize personal growth. My feedback will focus on positive reinforcement, constructive learning, and the long-term development of the athlete, both on and off the field.

Embrace Diversity: I will respect and support all players, regardless of skill level, background, or ability, ensuring everyone has a safe and inclusive environment to thrive.

Knowledge of the Game and Safety

Educate and Inform: I commit to understanding the rules, strategies, and best practices of the sport and will pass this knowledge on to my players, parents, and spectators.

Player Safety First: I will ensure that all players are provided with a safe playing environment, and I will promote safe practices, including proper warm-ups, equipment use, and injury prevention.

Communication and Respectful Engagement

Respectful Communication: I will treat everyone involved in the league with respect, engaging in positive and open communication with players, parents, coaches, and officials.

Uphold Good Sportsmanship: I will refrain from engaging in any form of negative behavior such as yelling, berating, or arguing with officials, players, or other coaches. Disagreements will be handled professionally, and I will teach players to do the same.

Behavior and Conduct

No Substance Use: I will refrain from the use of alcohol, tobacco, or any controlled substances during all Maize Rec events or in the presence of minors.

Background and Accountability

Background Check: I will submit to a thorough background check prior to engaging in any coaching duties, conducted by Maize Recreation Commission.

Accountability: I acknowledge that I am responsible for upholding this code of conduct and understand that failure to adhere to these principles may result in disciplinary action, including suspension or removal from my coaching position.

For the Kids

Keep it Fun: I understand that youth sports are for the enjoyment and development of the children, not the adults. I will create an environment where children can learn, play, and grow without the pressures of adult competition.

By signing this code of conduct, I agree to uphold these standards and promote a positive experience for all participants.
